

HALESITE FIRE DISTRICT
WORKSHOP MINUTES

October 26, 2023

The workshop was called to order by Commissioner Schondebare at 11:00 a.m. Commissioner Lanigan and District Secretary/Treasurer Spada were present.

An insurance presentation was given by Robert Stagastiano, Eric Keiffert and James Small from Hometown Firefighter & EMS Services.

The agents informed us that they service 225 LOSAP programs, offer Firematic resources as well as a full LOSAP package that is identical to the plan we currently have with VFIS.

Additionally, it was discussed that while it is difficult to know what the estimates will be for other packages during this "hard market," they anticipated VFIS will have a thirty percent increase in the coming year while the Hometown carrier is expecting a twenty percent increase.

There being no further business, the workshop concluded at 12:25 p.m.

Respectfully submitted,

Denise Spada
District Secretary/Treasurer
